

Please read the daily COVID-19 update in its entirety!

In an effort to effectively communicate updates and information to all staff it is essential, expected and mandatory that you read the daily COVID-19 updates provided. Reading all information will keep all information centralized, ensure staff is up to date regarding needed information, and prevent staff questions regarding information that has already been communicated.

Morning Entry for the Back Door – Port Huron Office

Just a reminder, **all staff must be screened by the nurses the first time they enter the building each day!** For staff arriving at the Port Huron office **between 8:00 and 9:00am, a nurse will be available at the back door.** If you are arriving at the building anything outside of that window of time, you **MUST** use the front doors for your first entry to the building – no exceptions! Please help up protect the health and safety of everyone coming to this facility.

“Back in the Building” Video:

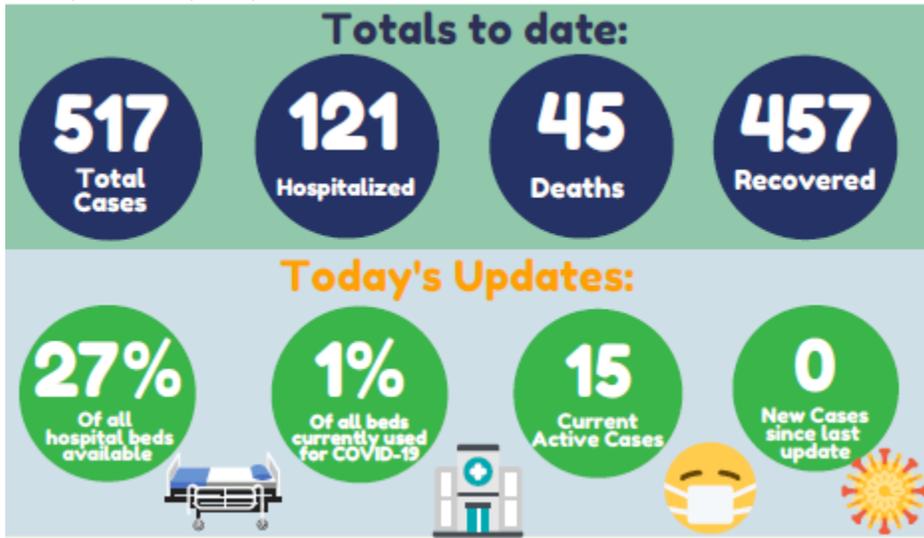

For anyone who hasn't had an opportunity to view, we have created a video for people we serve so they know what to expect when they starting coming back to the building for more in-person services. If you have the ability to e-mail with your individuals, please share the link to the video. You can also let people know when you speak with them on the phone, that we have a YouTube page where they can find this and other great videos. Please help us spread the word so people are comfortable and prepared when they begin to have face-to-face appointments again. Here's the link to the video: <https://youtu.be/GQyjDCbryl4>

“Staff Returning to Work” Video:

We have also created a video for staff with safety tips for returning to work starring our very own **Melissa Nicholson** and **Diane Bube!** Check it out: <https://youtu.be/Pu3mrtxTi8>

St. Clair County COVID Numbers:

Great news! St. Clair County is down to only 15 documented, active COVID cases in the whole county wide, even with the addition of expanded testing capacity through the St. Clair County Health Department. You can see an excerpt of today's report below:

COVID Testing:

The St. Clair County Health Department is offering Drive-up COVID testing by appointments each Tuesday. You do not need to have documented exposure, symptoms or a doctor's order to make an appointment for testing

COVID-19 TESTING!

St. Clair County Health Department

Every Tuesday | Appointment Required

Must be 18 or older

Call (810) 987-5300 to register

- Drive through and walk-up lanes
- Diagnostic testing (**NOT antibody testing**)
- **NO doctor's order is needed**
- Please bring a form of ID and insurance card

3415 28th St. Port Huron, MI 48060

Positive Reflections:

Below is a reflection from Jennifer Gibson on this work from home time. If you have thoughts you'd like to share with your colleagues, please send them to the COVID e-mail address to be included in our e-mail updates:

I am thankful that I have had the opportunity to work throughout the COVID crisis. I really feel blessed that I am able to work from home and hope the agency offers us some type of hybrid schedule moving forward. I have also enjoyed the Staff Spotlights. There are so many new staff and it has been nice to see some new and learn more about those that have been at the agency for years. I think that is just one blessing that has come from our current normal.

Additionally, working remotely we have found new and inventive ways to stay connected. For example, the contract management department has done wonderfully at communicating with each other, troubleshooting, problem-solving, and teaming up to get our job tasks done even though we are all working remotely.

Shout out to all the frontline workers at CMH. The nurses, receptionists, facilities, and IT staff been on top of everything and I really feel that the management and community relations teams have done a wonderful job of keeping us informed and communicating changes and updates as they are available.

CMH proud. 😊 *Jennifer Gibson*

Card for Pam Leslie

Amy Kzyonsek (ext. 3728, akzyonsek@scccmh.org) has a card for Pam Leslie, who recently retired after 20 years at SCCCMH. Amy will be sending it to CMH South, West, and Children's for signatures. You can also send an email message to Amy with the subject line "For Pam" and she will print it out and include it with the card.

Staff Spotlight

Keep sending in your Staff Spotlight answers and photos if you would like to be featured in the daily updates! Completed forms can be returned to Tracy Goyette at tgoyette@scccmh.org.

Staff Spotlight

Jennifer Bailey

Position: Adult Outpatient Aftercare Clinician

Length of time working at CMH: 11 years

Family/Pets: I have Elaina, 14, who will be a sophomore, and identical twin boys, Collin and Darren, 13, who will be in the 8th grade

Favorite thing about working at CMH: The wonderful team spirit amongst departments and of course, seeing people recover and thrive, and believe in themselves, maybe for the first time in their lives

Aside from necessities, what is one thing could you not go a day without? Tweezers, and yes, that's for unwanted facial hair that seems to grow several millimeters overnight!

Do you have any hobbies? Fitness/exercise, reading to learn about new things, houseplants

What is the most interesting place you've ever visited? Switzerland, truly the most beautiful place I've ever been

Do you play any musical instruments? I have a bachelor's degree in clarinet performance and teach private lessons on the side

When you were a kid, what did you want to be when you grew up? A scientist

Kudos

Ann Marie Daniels-Hillman would like to recognize **Mark Hutchinson and Cindy** for all their hard work in producing the "Back to the Building" video. *"This was simply amazing. I loved it. They did a fantastic job!!!!"*

Shout out to **Leana Jurn** who scanned a whopping 739 documents yesterday as well as training a new employee! Way to go!
